1. **Should I fill out an application if I got a letter this school year saying my children are approved for free meals?** Please read the letter you got carefully and follow the instructions. Call nutrition services at (503) 266-6742 if you have questions.
2. **Do I need to fill out an application for each child?** No. Use one Free and Reduced Price School Meals Application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. Return complete applications to: Nutrition Services 1130 S. Ivy Street, Canby OR 97013.
3. **Who can get free meals?** Children in households getting Supplemental Nutrition Assistance Program (SNAP) benefits, TANF or FDPIR can get free meals regardless of your income. Also, your children can get free meals if your household income is within the free limits on the Federal Income Guidelines.
4. **Can foster children get free meals?** Yes, foster children that are under the legal responsibility of a foster care agency or court can get free meals. Any foster child in the household can get free meal regardless of income.
5. **Can homeless, runaway and migrant children get free meals?** Please call the home liaison or migrant staff at (503) 263-7429 to see if your child(ren) qualifies, if you have not been informed that they will get free meals.

12. **May I apply if someone in my household is not a U.S. citizen?** Yes. You or your child(ren) do not have to be a U.S. citizen to qualify for free or reduced price meals. Information provided by the household will not be used for immigration-related purposes.
13. **Who should I include as members of my household?** You must include all people living in your household, related or not (such as grandparents, other relatives, or friends). You must include yourself and all children who live with you. Foster children may be included as household members. If you live with other people who are economically independent (for example, people you do not support, who do not share income with you or your children and who pay a pro-rated share of expenses), do not include them.
14. **What if my income is not always the same?** List the amount that you normally get. For example, if you normally get \$1000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month. If you normally get overtime, include it, but not if you get it only sometimes.
15. **We are in the military; do we include our housing allowance?** If you get an off-base housing allowance, it must be counted as income, however, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.
16. **My spouse is deployed to a combat zone. Is combat pay counted as income?** Combat pay is excluded if it is received in addition to the service member's basic pay, because of the deployment, **and** not received before being deployed.
17. **My family needs more help. Are there other programs we might apply for?** To find out how to apply for Oregon SNAP or other assistance benefits, contact your local assistance office or call 2-1-1 or 1-800-SAFENET (723-3638). ### DETERMINING MONTHLY INCOME FOR EARNINGS & WAGES

**Monthly income** for all household members must be reported in Part 4 of this application. Income means any money regularly received from work, child support, alimony, pensions, retirements, social security or any other source. Exclude student/school loans. Household members who are not paid monthly should change earnings into monthly income by doing the following:

**Household members who are paid every week:** Multiply total earnings and wages for one pay period, before deductions, by 52. Then divide by 12. The resulting amount is the total monthly income.

**Household members who are paid every 2 weeks:** Multiply total earnings and wages for one pay period, before deductions, by 26. Then divide by 12. The resulting amount is the total monthly income.

**Household members who are paid twice a month:** Multiply total earnings and wages for one pay period, before deductions, by 24 then divide by 12. The resulting amount is the total monthly income.

**Household members who are seasonal workers or work less than 12 months:** Project annual rate of income to accurately represent actual circumstances then divide by 12. The resulting amount is the projected monthly income.

Note: Money received from a business or farm owned by you should be reported as "net income." *Net Income is defined as the total income left after business and farm operating expenses are subtracted from gross receipts.*

## Procedures for School Cafeteria Meal Accounts

Canby School District Nutrition Services takes pride in providing students with delicious, high quality, nutrient-rich meals to support learning. It is the responsibility of a parent or guardian to prepay for school meals, provide a breakfast/lunch from home or complete a meal application to receive free or reduced meal benefits.

### How to Fund Cafeteria Meal Accounts

Families have several payment options to fund a student meal account:

1. Enroll and use the online payment service Mealtimes Online (<https://www.mymealtime.com>) which includes a minimal convenience fee. Credit cards can be used online but are not accepted in our cafeterias. Single payments can be made for multiple students in a household in one transaction;
2. Bring a check made payable to CSD Nutrition Services and include the student's name and student ID number to the cafeteria; or
3. Provide a cash prepayment to the cafeteria. Cash back is not provided. Any remaining change will be added to a student's account balance.

### How to View Cafeteria Meal Account Balances

Families have several options to view funds in a student meal account:

1. Enroll and use the online payment service Mealtimes Online (<https://www.mymealtime.com>). This will show available balances and transaction history for any students added to your account;
2. Enroll and use ParentVue to view current balances only; or
3. Call CSD Nutrition Services at 503-266-6742.

We understand families have busy schedules which is why we make every effort to communicate with families about the status of their student's meal account balance.

### Accounts with a Low Balance

Communication procedures begin when meal account balances fall below \$5.00 for students in any grade level. There are two types of contact that families will receive:

Automated Phone Calls	Every Tuesday at 7:00PM
Automated Emails	Every Thursday at 7:00PM

### Accounts with a Negative Balance

Meal accounts with a negative balance will receive all of the contact listed above plus phone calls and balance slips directly from cafeteria staff. If payment has not been received after two personal phone calls, the balance is communicated with the building administrator to assist with collection. This level of contact will continue until payment has been received in full. Negative balances rollover from year to year. **Meal accounts must be in good standing at the time of students' graduation or when leaving the district. In accordance with Board Policy JN, student records will be withheld if all fees are not paid in full. The district also reserves the right to send outstanding balances to collections.**
